Administrative Order

No. 17

Series of 2015

SUBJECT: GUIDELINES IN RANKING OFFICES/ BUREAUS/ SERVICES AND EMPLOYEES FOR THE GRANT OF PERFORMANCE-BASED BONUS (PBB)¹ for CY 2015

I. RATIONALE

On December 21, 2011, President Benigno Aquino, III issued Administrative Order No. 25 creating the Inter-Agency Task Force on the Harmonization of the National Government Performance Monitoring, Information and Reporting Systems in line with the Administration's thrust to raise transparency and accountability in governance. The Task Force aims to (1) rationalize, harmonize, streamline, simplify, integrate and unify the efforts of government agencies to the National Leadership Agenda; (2) establish a unified and integrated Results-Based Performance Management System (RBPMS); and (3) use RBPMS as basis for determining entitlement to performance-based allowance, incentives, or compensation.

On July 20, 2012, the President issued Executive Order No. 80 directing the adoption of the Performance-Based Incentive System for Government employees starting CY 2012. The premises of EO 80 is to rationalize the current incentive system in government which is across the board bonuses; strengthen performance monitoring and appraisal systems, improve service delivery by linking personnel reward to the bureau or delivery unit's performance, and establish a Performance-Based Incentive System (PBIS).

The PBIS is a system of incentives for government employees consisting of Productivity Enhancement Incentive (PEI) and Performance-Based Bonus (PBB). The PBB is a top-up bonus given to employees based on their performance and contribution to the accomplishment of the Agency (on top of PEI).

The PBIS was pilot-tested in CY 2012 using the performance contract and review (PCR) rating of officials for the office ranking system while the individual performance ratings were used for the individual ranking.

Memorandum Circular No. 2015-01 or Guidelines on the Grant of the Performance-Based Bonus (PBB) for Fiscal Year 2015 under Executive Order No. 80 was issued on August 12, 2015. In the MC, it is again mandated that
